

Sir Edmund Hillary Collegiate are proud to announce that all their school, phys-ed, sports uniforms and equipment is supplied exclusively by Sports Resources.

Sports Resources were chosen over all other clothing and equipment manufacturers due to their pricing, excellent quality of material, monogramming, workmanship and delivery of goods on agreed specified dates.

Sports Resources have an extensive range of uniforms that cater for all sports or casual garments in quality materials.

David Overend, Tony Botica and their staff are a privilege to work and liaise with as they are very professional in all aspects you require from enquiries, quotations, pricing and ordering. Our students have never looked so good and proud since we have changed our uniforms which were designed by Sports Resources through consultation with Sir Edmund Hillary staff, students and I.

Finally I personally recommend Sports Resources for all schools, sports clubs and businesses for top quality uniforms and service.

Kevin Long (Sports Co-ordinator).
